

Republic of good taste

Lemon Tree Hotels recently launched branches of Republic of Noodles in the city as well as in Aurangabad. The restaurant chain is an award-winning presence in Goa and Bengaluru's eatery circle, and is popular for its delectable selection of Thai, Vietnamese, Malay, Singaporean, Indonesian and Burmese fare, all cooked to clay pot perfection. Look out for some unusual, high-on-flavour concoctions, like Pineapple curry with Lychees and Burmese curry with Lime and Potatoes. Desserts include such heavyweights as Indonesian Banana Fritters served with Honey Crunch Ice Cream and Caramelised Apple Toffee with Berry Compote. Phew!
