

Home like comfort at Red Fox Hotel, Jaipur

Red Fox Hotel, Jaipur is a delightful economy hotel located in the heart of the commercial hub of Jaipur at Jawahar Lal Nehru Marg. The hotel is just a short walk from corporate offices like GENPACT, Infosys, Fortis Hospital and the World Trade Park and in close proximity to the business hub – Bani Park.

With fresh bold interiors as well as the crisp and clean rooms, the hotel's lively environment and playful artwork made the ambience youthful. The cheerful staff made sure we were comfortable and they were alert to our needs. The hotel staff impresses us with their

resourcefulness and attention to detail. It was heartwarming to see some staff members in the restaurant who are hearing and speech impaired attending to guests efficiently and cheerfully.

Red Fox offers 183 sharp and bold rooms (including one for differently-abled guests). Their rooms ensure you have a good night's sleep. What works well is the high quality mattress. The rooms also have high speed WiFi, satellite television, mini fridge. The rooms also have a workstation and a very comfortable chair (we actually tested it) that allows you to work for long hours. The hotel's conference

facilities are just what you need, from a white board, surround sound system to large screen LCD TV. They make life easy for guests like us by offering dispensing machine for snacks and daily need items, utility kiosks on the floors for ironing, ice cubes and dispensed drinking water and a cyber kiosk. Clever Fox Café is a great place to eat with a variety of Indian and Continental cuisine and a well-stocked bar. It is a casual restaurant where we just relaxed and unwound over snacks and coffee – the lounge area inside the café was perfect for this.

The hotel is not far from the international and domestic airports or the railway station and is conveniently approachable from all connecting points. So if you are looking to go on a business trip or on a vacation without burning a hole in your pocket and not compromising on quality, you know where to head - Red Fox Hotel.
