Where Elegance Takes Flight

Aurika, Mumbai Skycity pairs thoughtful luxury with sustainability, just minutes from the International Airport.

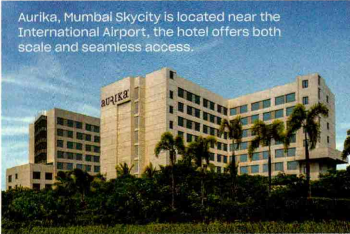

LOCATED NEAR MUMBAI'S Chhatrapati Shivaji Maharaj International Airport, this towering structure easily catches the eye of travellers. Yet, few know that despite its scale—and the distinction of having the largest room inventory among hotels in India—Aurika, Mumbai Skycity, part of the Lemon Tree Hotels chain, has been awarded Platinum certification by the Indian Green Building Council, the highest accolade for eco-conscious practices.

The striking exterior is complemented by thoughtfully designed interiors that offer both visual appeal and functional comfort. The space is tailored for guests to work, unwind, and enjoy themselves. The ambience is a balanced blend of modern luxury and nostalgic charm, paying homage to Mumbai's relationship with the sea, the environment, and its rich cinematic legacy. Both the decor and a curated collection of artwork evoke the glamour of 1940s and 1950s Mumbai filmdom.

The hotel also delivers an elevated dining experience with multiple options to suit diverse palates. At the lobby-level Tea Lounge, guests can enjoy a curated selection of signature teas paired with local delicacies. Mirasa, the all-day dining restaurant, offers an eclectic mix of international dishes and locally inspired fare, made with fresh regional produce and premium imported ingredients—refined by the artistic flair of the hotel's in-house chefs. Ariva – The Bar invites you to unwind in style, while the poolside deck transforms into a chic Mediterranean-style dining venue in the evenings.

Rooms are designed for both productivity and relaxation, with comfort at the core.

Aurika, Mumbai Skycity is located near the International Airport, the hotel offers both scale and seamless access.

For wellness and relaxation, Araya, the spa and salon, offers a wide range of Indian and international therapies—perfect for unwinding after a busy day or indulging in some much-needed self-care.

The hotel's use of cutting-edge technology also makes its banquet spaces ideal for hosting everything from corporate meetings to glamorous weddings and grand celebrations. [lemontreehotels.com](http://lemontreehotels.com)
